זמני שבועות תש"ע

Shavuos Night Learning at Anshei Pennington

Until 12:45: open learning

12:45 – 1:45 Chazara of the beginning of Mesechte Makos:

Being that we are starting chazara at the beginning of the mesechte, those who do not attend the morning Amud Yomi shiur will also be fully able to participate.
(We hope to do about one daf.)

2:00 – 2:30 One new Amud of Mesechte Makos:

We will start at a place where a new topic begins so that those who do not attend the morning Amud Yomi shiur will also be fully able to participate.

3:00 – 3:45 Shiur on Megillas Rus:

In similar format to the Shabbos Navi Shiur, we will study the story of Rus and focus on practical lessons we can learn from the Midrashim & Chazal.

4:00 – 4:45 Q & A

An interactive discussion addressing submitted questions, as well as interesting halachic questions.

We look forward to seeing everyone there!!
